

In Bridgebase, you have the ability to **Kibitz** (watch Bridge tables being played) Useful for Coaching and Lessons. You can also Kibitz friends play or practice.

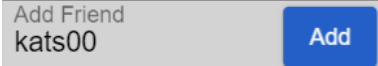

The easiest way to Kibitz a Coaching Session or a Lesson or a Friend is to Add your instructor or friend as a "Friend" in the People tab.

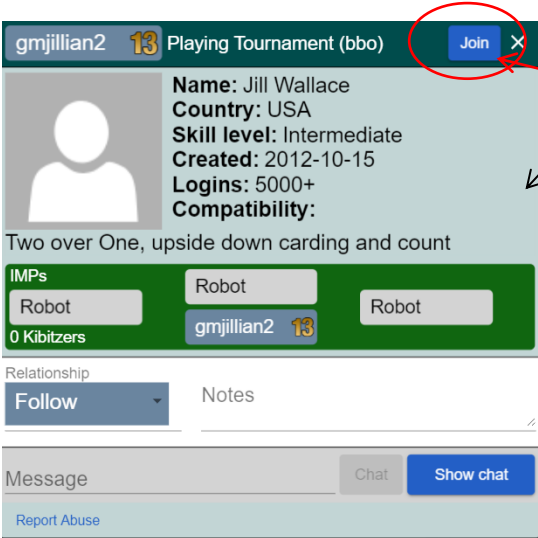

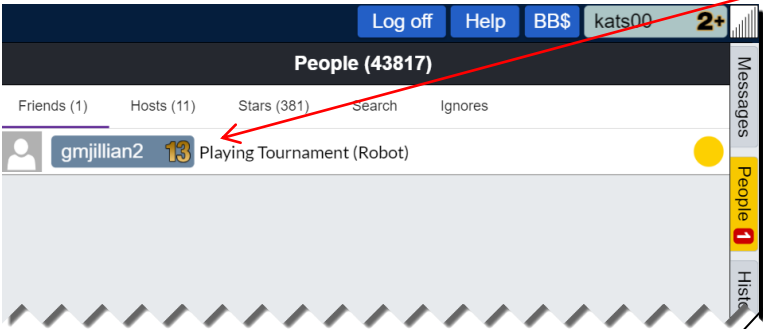

Once you log in, look for the "People" tab along the right side. Some browsers might show Icons along the bottom which will show "People"

Look for "Add Friend" near the bottom left of the People screen.

Once you type a name, the "Add" button will lite up

If your instructor/friend is online, you will see his/her ID. Click on the ID and you will get their profile.

To Kibitz (watch) a Lesson or friend, just click "Join"
